

Williamson County received \$93 million from the federal government to help with Covid-19 relief

Williamson County received \$93 million from the federal government to help with Covid-19 relief. \$25 million has been placed in a grant program for and not for profit businesses with fewer than 100 employees within Williamson County. These applications will be approved on a first-come-first-served basis. The application can be obtained online and loosely based on the Paycheck Protection Program application. The application is expected to be approved at Tuesday's Commissioner's Court meeting. The site should go live on Wednesday or Thursday.
